description:

Only 20 minutes away from the best beaches of the Costa Brava, we find this fantastic Farmhouse surrounded by nature and tranquility. Completely renovated in 2008 with high quality materials and exquisite taste, the property has kept intact the charm of the old Masia, but with all the comforts of a modern house. It is a unique opportunity, located so close to the beaches, with its charm and ancient touch, but at the same time exclusive comfort and adapted to the present. Its unique situation touching the mountain of Las Gabarras and its more than 4 hectares of land make this Masia a privileged place to enjoy nature, privacy, gastronomy and the beaches of the Costa Brava.

More than 1,000 meters built distributed in the main Masia and annexes. 7 bedrooms en suite, 1 toilet, large living room with access to the garden, fantastic kitchen with access to a nice porch ideal for barbecues or spending an afternoon under the shade of the porch, multipurpose room, laundry, summer kitchen, garages for several cars and motorcycles, nice swimming pool, paddle tennis court, vegetable garden, well for irrigation and domestic consumption... all this and much more is offered by this fantastic dream property.
